CLOUD TREK

Move beyond AI coding to agentic engineering

A 2-day Bootcamp and Contest

Certificate of Appreciation

This certificate is proudly presented to

P Yeshwanth Reddy

in recognition of your valuable contribution and dedicated efforts as an Organizer for the AWS Cloud Trek, a two day technical workshop organized by AWS Student Builder Group in collaboration with SCOPE Club at MLR Institute of Technology on September 11th and 12th, 2026.

Your commitment, teamwork, and efforts played an important role in making the event a success. We sincerely appreciate your contribution and dedication.
